Mr. David Kennedy ^{K/N}
White House

David,

Thanks again for your help. The date of E. Henry Knoche's call on the President was April 21, on the occasion of his nomination by the President to be Deputy Director of Central Intelligence. Present also was Admiral Daniel Murphy, and they were with Brent Scowcroft.

I hope that the attached photograph of Hank Knoche can help in identifying a photograph you may have of him with the President of which he would very much like to have a print.

Thanks & regards,

SIGNED

of Central Intelligence
